

A man with long dark hair and a beard is shown in profile, smiling and playing a yellow electric guitar. A vibrant, multi-colored rainbow light effect emanates from the guitar, creating a sense of motion and energy. The background is dark with some faint grid lines.

Harri Stojka

A Tribute To Swing

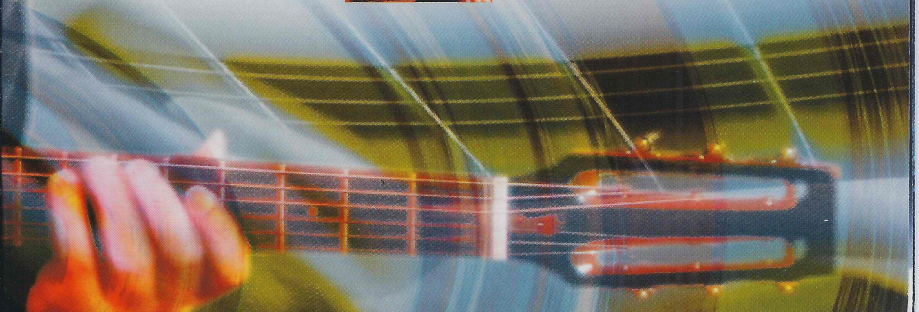

The music on this CD

was created with my magical gipsyjazz guitar - Joseph Di Mauro, 87, Paris.

To play music with such an instrument is each time an extraordinary experience.

It is a fantastic journey back into a time when jazz was the most intense and finest (for me).
