The Kipper and the Corpse with Waldorf Salad and Gourmet Night

FEATURING AN EXCLUSIVE INTERVIEW WITH JOHN CLEESE

In an exclusive interview for this collection, John Cleese talks about the creation of one of the funniest British comedies ever shown. Every aspect of Fawlty Towers is discussed openly and wryly, from the characters, the critics and the scripts, to the inspiration, the actors and the injuries... And, John Cleese provides the background to each of these three hilarious classics featuring the unforgettable Basil, lovable dense Manuel, the untappable Polly and Basil's 'little nest of vipers' - his wife Sybil...

Gourmet Night

The cream of Torquay society is present for a special gourmet night at Fawlty Towers. But with a drunk chef, where will Basil find a replacement main course?

Waldorf Salad

An American guest demands quality service - something Basil is not very familiar with. But that's not the only thing missing from the Fawlty Towers menu...

The Kipper and the Corpse

With total disregard for Basil's blood pressure, one of the guests dies in the hotel. Panic stricken, Basil attempts to conceal the body - and the extremely fishy breakfast...
