MUNCHMAN™ II

Test your instincts and reflexes in this challenging sequel to one of T.I.'s most popular games. The evil hoonos return in force and they're looking for revenge. If the ball is hit, the computer determines the outcome based on major league statistics. A replica of a diamond allows you to watch your runners make their way around the bases.

Superb graphics, stunning animation, realistic sounds and actual major league statistics make *Strike Three* a real home run as far as computer baseball games go.
