MINUTES FOR MONTHLY MEETING :

FEBRUARY 3, 1992

Cork Downey opened the meeting at 7:10pm with 12 members present.

The minutes, as such, of the previous meeting were approved as they appeared in the newsletter. Chet presented the financial report and it was approved.

Gary Harman reported that he had added many archived disks from Dave Ratcliff, some of them being utilities, assembly language, and graphics for TIPS. Since there are very many graphics and a member would probably want only a certain selection of pictures, Gary has compiled a printout of all the graphics, a thick book that took lots of his time. See him to find what you want. Gary has also given Tony a list of the catalogued disks in the library and Tony will try to incorporate it into future newsletters, perhaps a page or 2 at a time.

Cork announced that we have a notice from William Chavanne on his newest version of TI-TAX, besides a new catalog from Texaments for the members to peruse. A member has his TI system for sale and the Boston Computer Society will have its fair April 4th. They enclosed a form for our Group to return if we desired a table.

A discussion followed concerning our declining membership and the possibility of combining clubs or admitting PCs. Probably most agreed with Amos that if we don't need more money, then we don't really need to pull in other groups.

In new business, a nominating committee was appointed for the upcoming election: Monty Monoriti, Rick Rubin and Bill Robinson.

There being no other business, the meeting adjourned at 8pm.

Respectfully submitted,
Dottie Swartz, Secretary

REMINDER — TO ALL MEMBERS

As you receive this newsletter every month, do you look forward to an article about a topic you'd like to know more about - - but it's never there? Perhaps you can find just what you need from other User Group's newsletters, as we exchange with 35 or so clubs. Cork has done a super job of organizing all the previous years' newsletters into filing crates that he carries to each meeting. There is usually ample time to read some of them.

We realize some of you live too far away to attend meetings (even one member in Florida!). In this case, drop us a line and let us know what you're looking for. We'll try to assist you!

A NOTE FROM THE EDITOR

As you read in the minutes of February 3rd meeting, that I will put 2 or 3 pages of the current library listings in the letter. Well you will find the complete catalogue listed in this letter. (MEMBERS ONLY) Users groups this section will not appear in the letter.
