NOVEMBER 17, 1987

## NEXT MEETING

TUESDAY NOVEMBER 17 1987 7:PM - 9:PM  
PIZZA HUT 2200 B STREET SPARKS, NV

This Pool Club has stopped  
the Newsletter Exchange!

## PRESIDENT MESSAGE

This is the time to give thanks for our computers with turkey and all the fixing.

The PR-BASE S.I.G. proved to be a supper powerful program. You should not miss out on this program it is pretty easy to use. If you use this program please support the author.

I have a LOT of nice prizes at our next meeting so don't miss out on a good thing, be at our next meeting !!!!

Please return all disks to the program library it's important !!

For sale; TI computer, speech, games, and joy sticks call Jeff at 826-3773.

I like to welcome our newest members: William Johnson, Bob Gastoni, and Kevin Schwegel.

For a lot of us it is time to renew membership. Keep the 4A alive and kicking renew your membership.

I wish you all a happy healthy Thanksgiving.

David Belanger

Good - IT was a poor N/L

ANY  
WAY.  
J

MINUTES OF OCTOBER'S MEETING

President David Belanger started the meeting at approximately 7:06pm on October 27, 1978. Dave confessed some confusion that he may have caused over the selection of an RGB monitor he recommended in his last newsletter column. He said he has since learned more and will be glad to help anyone who has questions on this matter. He said if he couldn't he would call on other members to help (Are you reading this ED Conradt. Dave cautioned the members not to leave early because they would miss the drawing for a Solitare program he has donated.

The lending librarian Jerry Cohen announced that the library has seen activity this past month possibly due to the cartridges he loaned to the group for check out. He mentioned that some good games are available thanks to the donation by member Craig Clark. He went on to say that if you're new to the club don't be shy about asking questions. His comments led to a discussion of our Special Interest Group (SIG) meetings usually at Jerrys house. (Announcement of a SIG on PR-BASE was made call Dave for details. Ed.)

Joel Cote' gave a short treasurers report and included a plug for Reno Federal Credit Union membership which is available to all members of this club. He did bring back the Mechatronics extended basic thus avoiding the chiding Jerry was about to give him. His recent purchase of Super Extended Basic and its added functions were the next topic covered. Joel promises to give us a demo and perhaps an article on that purchase. He also purchased a menu program for his Horizon Ram Disk but needs more time to play with it to give a good demo.

Mike Digangi program had nothing to report but introduced a new member Kevin Schwegel.

Drew Wolak secretary passed out some material that came into the clubs mailbox including an invitation to the Chicago TI Faire. He went on to demonstrate a PR-BASE catalog of newsletters the club receives.

No old news was reported. Under new news we talked of changing meeting times but Dave stopped the discussion.
