FIRST OFF, LET ME SAY THANK YOU ,FOR ONCE AGAIN PLACING YOUR TRUST IN ME AS YOUR PRESIDENT FOR ANOTHER YEAR. I HOPE THAT THIS YEAR WILL BE MUCH BETTER THAN LAST YEAR AND THAT AS A GROUP WE WILL SEE AN INCREASE IN BOTH OUR REVENUES AND OUR MEMBERSHIP.

I REALLY HAD NO IDEA OF THE SUBJECT MATTER OF THIS MONTH'S COLUMN UNTIL I STARTED THINKING ABOUT THE ACCOMPLISHMENTS OF SOME MEMBERS OF THIS CLUB. WITHIN THE LAST WEEK, A NEW BBS HAS COME ABOUT FROM THE WORK OF ERIC MINDOCK AND JOHN HIGGINS, BOTH BOARD MEMBERS OF OUR CLUB.

THE TOTAL OF FIVE BBS' IN ONE USERS GROUP IS OUTSTANDING. THE REALLY EXCITING THING ABOUT THIS IS THE FACT THAT EACH BOARD IS RUNNING ON DIFFERENT SOFTWARE. I HOPE AND WISH THE HIGHEST REWARDS FOR ALL OUR CLUB MEMBERS AND HOPEFULLY EVERYONE WILL GAIN FROM OUR NEWEST MEMBER TO THE SYSOP ELITE.

RESPECTFULLY,

WILLIAM BYRD

FROM THE EDITOR.....

IT HAS BEEN A LONG BUT REWARDING MONTH SO FAR, AND I HAVE ENJOYED PUTTING TOGETHER ANOTHER ISSUE OF THE 99er. I HAD A HARD TIME DECIDING ON WHAT WAS NEWS AND WHAT WAS TRASH. HOPEFULLY THE LATTER WAS CORRECT. BEFORE WE GET GOING INTO OTHER TOPICS, I WANT ALL OF THE CLUB MEMBERS TO KNOW OF MY APPRECIATION OF THEIR VOTES AT THE LAST MEETING. OKAY...OKAY, I KNOW THERE WAS NO OPPOSITION ON THE BALLOT BUT THEY HAD THEIR CHANCE...RIGHT?

NOW WE CAN GET ON TO THE IMPORTANT STUFF. I RECEIVED SEVERAL LETTERS THIS MONTH FROM VARIOUS SOURCES CONCERNING CLUB MATTERS AND ALL HAVE OR WILL BE ANSWERED AS SOON AS POSSIBLE. THAT REMINDS ME, I HAVE BEEN GIVEN SEVERAL LETERS THAT WERE APPARENTLY MISPLACED AND UNANSWERED. I WILL NOT APOLOGIZE FOR THOSE WHO WERE AT FAULT FOR HOWEVER THIS CAME ABOUT, BUT I WILL DO MY UTMOST TO SEE THESE PERSONS ARE GIVEN A REPLY AND A JUST RESPONSE TO THEIR INQUIRIES.

ANY AND ALL MAIL RECEIVED BY THE CLUB FROM THIS MOMENT ON WILL BE REPLIED TO JUST AS SOON AS HUMANLY POSSIBLE.

I WOULD ALSO LIKE TO PERSONALLY THANK MR. DICK ALTMAN IN SAN FRANCISCO FOR THE NICE DISK/CORRESPONDENCE HE SENT ME. THE TI-WRITER INFO IS GREATLY APPRECIATED, I DO BELIEVE HE HAS EARNED A FEW MORE NEWSLETTERS TO ADD TO HIS COLLECTION. TAKE NOTE FELLOW EDITORS....HIS ADDRESS IS A VALUABLE PIECE OF INFO. (DICK ALTMAN 1053 CHURCHER ST., SAN FRANCISCO, CA 94117) JUST TELL HIM VIC SENT YOU!

OUR CLUB LIBRARY GREW ANOTHER 250 OR SO PROGRAMS DURING OUR APRIL PROGRAM DRIVE. THOSE WHO HAVE ASKED ABOUT THE CATALOG....???...IT IS BEING ASSEMBLED AND SHOULD BE READY THIS MONTH.

I ONLY WANT TO ADD A HEARTY WELCOME TO THE NEW MEMBERS WE ADDED IN APRIL. WE ARE ALWAYS GLAD TO FIND THOSE WHO HAVE BEEN LOOKING FOR US.

A FANTASTIC YEAR IS FORMING FOR ALL 99ers AND MAY EVERYONE READING THIS BE A PART OF THE WHOLE.

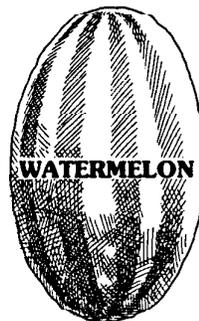

SINCERELY,

*Vic Clontz*  
VIC CLONTZ, EDITOR

HOW TO KILL AN ORGANIZATION

1. Do not attend meetings; if you do, arrive late.
2. Be sure to leave before the meeting is over.
3. Never offer your opinion at a meeting; wait until you get outside.
4. When at meetings, vote to do everything, then go home and do nothing.
5. The next day, find fault with your officers and fellow members.
6. Take no part in your organization's affairs.
7. Sit in the back and start up your own meeting with one or more members during discussion periods; if you keep it low, no one will notice.
8. Get all the organization can give and give nothing in return.
9. Talk cooperation, but never cooperate.
10. Never ask anyone to join the organization.
11. Threaten to resign at every opportunity; especially when things are not going your way.
12. If asked to help, always promise to do so, but be busy when called upon.
13. Never read anything pertaining to the organization in case you learn something on your own.
14. Never accept an office; better to criticize than be criticized.
15. If in a moment of weakness you find you have gotten yourself on a committee, apply all of the above rules and let the chairman do all of the work.
16. Do not do anything more than you have to, and when others give freely and willingly of their time and talents to help the cause, be the first to leap to your feet to remind everyone: WHAT'S WRONG WITH THIS GROUP IS THAT IT'S BEING RUN BY A CLIQUE!!!!!!

THE FLEA MARKET PROJECT.....

BY JOE SHISLER EVP

IN THE LAST FEW WEEKS WE HAVE ATTEMPTED TO PUBLICISE OUR CLUB TO THE GENERAL PUBLIC. SEVERAL METHODS HAVE BEEN TRIED. WE HAVE SENT NOTICES TO THE NEWSPAPERS, TO RADIO, AND TO TV STATIONS, WITH VARIOUS SUCCESS. ANOTHER METHOD ALSO TRIED WAS TO SET UP A BOOTH AT FLEA WORLD (FLEA MARKET) NEAR SANFORD, WITH THE HELP OF VIC CLONTZ. MY WIFE AND I HAVE BEEN THERE ON TWO SEPERATE WEEKENDS FOR A TOTAL OF 12 HRS. SOME OF THE OTHERS HAVE BEEN BILL GREGORY, RICK GREGORY, KEITH GAYLE AND HIS WIFE AND ALSO SUSAN AND DENNIS NEUBAUER. WE HAVE HAD SUCCESS IN MEETING MANY PEOPLE WHO DIDN'T KNOW SUCH A CLUB EXISTED AND WE HAVE SOLD MANY ITEMS OF T.I. SOFTWARE AND AND EQUIPMENT THAT WE HAD. WE STILL HAVE SOME TO GO AND WE WILL BE PAYING OFF OUR ORIGINAL INVESTMENT AND WILL HOPE TO TURN A PROFIT FOR THE CLUB. THIS WILL BENEFIT THE CLUB BY HELPING US PAY FOR THE CLUBS EXPENSES SUCH AS THE MEETING ROOM AND THE NEWSLETTER EXPENSES. HOWEVER, WE DO NEED ADDITIONAL PEOPLE TO HELP.

WE WOULD LIKE TO BE THERE AT LEAST ONE DAY EACH WEEKEND. VOLUNTEERS ARE NEEDED AND THEY WILL BE REIMBURSED WITH PSC CREDITS FROM OUR CLUB LIBRARY.

THIS PROJECT HAS PROVIDED THE CLUB WITH ABOUT 65 POSSIBLE MEMBERS THAT HAVE THE 99/4A AND THERE ARE MANY MORE PEOPLE AT THE FLEA MARKET EACH WEEKEND THAT ARE POSSIBLE CANDIDATES FOR THE GO 99ers.

THOSE WHO CAN HELP....PLEASE CALL VIC CLONTZ AT 327-1459.

John Willforth is in the process of having some circuit boards etched for a specifically designed internal memory expansion unit. Assembly will be incredibly simple. John is looking for support. The finiacial outlay to get 100(the bare-get it,bare-minimum) is about \$500. The more interest in this project, the lower the individual cost. Please send a self addressed STAMPED envelope to John if you are interested.

Other tentative projects include, a 156K ram disk that fits inside the console, a 16k minimemory that would beable to dump most non-grom modules, internal speech for less than \$35, RS232's and disk controllers that fit inside the console. If you want to see some of these innovations materialize>>>>please give John Wilforth all the support you can. I have had the chance to tryout some of these prototypes and they work perfectly and are compatable with all software that we can think of.

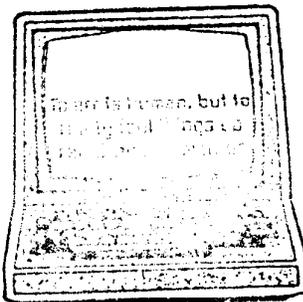

LET IT BE KNOWN TO ALL.....

THE GREATER ORLANDO 99ers USERS GROUP STRONGLY SUPPORTS AND ENCOURAGES THE "FREWARE" METHOD OF PROGRAM DISTRIBUTION. WE THEREFORE FEEL IT IS IN THE BEST INTERESTS OF ALL 99/4A USERS EVERYWHERE TO SEND THE AUTHORS OF SUCH PROGRAMS THE REQUESTED PAYMENT AS COMPENSATION FOR TIME AND KNOWLEDGE SHARED WITH US ALL.
